PROFESSIONAL EXPERIENCE

RevoluteX Digital

May 2024 - Oct 2024

Web Development Intern

Motivated and detail-oriented Software Engineering graduate with hands-on experience as a Web Development Intern. Gained practical exposure to building, testing, and maintaining responsive websites in a collaborative environment. Demonstrated ability to understand project requirements, apply web development principles, and contribute to real-time tasks under supervision. Known for quick learning, effective communication, and a proactive attitude toward solving problems. Eager to bring strong technical foundations and a growth mindset to a full-time role in the IT sector.

Freelancing

Oct 2024 - Present

Shopify / Web Development

Self-driven and results-oriented Software Engineering graduate with hands-on freelancing experience in Shopify and web development. Successfully delivered customized eCommerce stores and dynamic websites for various clients, focusing on responsive design, user experience, and performance optimization. Skilled in managing full project cycles — from client communication and requirement gathering to development, testing, and deployment. Passionate about building clean, functional, and user-friendly digital solutions. Seeking to leverage freelance experience in a structured IT role to continue growing professionally.
